Sub consultants:
Green Cascades, LLC for site detail design

Client:
Gilliam County

This project involved the replacement and installation of all public and private sidewalks around the Gilliam County Courthouse.

The existing sidewalks varied from approximately 10 to 50 years in age. The front steps were severely deteriorated and did not conform to current accessibility standards.

Pillar provided project management services during construction. Pillar also prepared site plans, bidding documents, & permit documents with the assistance of Green Cascades for site design.
