

# Bleach Vat Replacement

Halsey, Oregon

Project Type:  
***Industrial Shutdown Equipment Replacement***

Client:  
***Cascade Pacific Pulp***

Contractor:  
***RL Reimers***

Pillar's Responsibilities:  
***Structural Engineering  
Project Management***

Pillar Consulting Group designed, planned and managed the replacement of an existing concrete bleach vat. Work was conducted during the mill's annual shutdown.

Services performed by Pillar Consulting Group included structural design of the replacement vat, structural design of the shoring system, contractor selection, coordination of activities including washer removal, concrete demolition, concrete construction, tile installation and washer installation and budgeting.
